Hi all:

Thanks again for all of your work. I know a few of you had difficulty accessing the agenda and presentation template yesterday, but I believe we have fixed that. Just a couple quick notes:

Ex. 5 - Deliberative Process

I believe many of you may already have a draft of the 1-2 pager, but want to make sure everyone understands the expectations. I appreciate your consideration of this request and will be happy to answer any questions about it.

Best,

Kevin

Subject: Priority Area Kaizen Projects: Draft Agenda and Presentation Template for August 31 Report Out Meeting

Hi all:

I hope you had a great weekend. I appreciate all of the effort you have been putting into preparing problem statements for your Priority Area Kaizen projects.

For Thursday's project report out meeting, I have developed a draft agenda and PowerPoint slide template. Both of these are available [here](#). Please let me know as soon as possible if you have a problem participating in the meeting at the time allotted for your project. Please also complete the PowerPoint slide template for your project by COB Wednesday, August 30. I would appreciate it if you would save your completed slide in the same folder as the agenda and template. Alternatively, you may email the slide to me.

At the meeting, process owners will be expected to report out on their projects. I'll be happy to answer any questions you might have.

Best,

Kevin
